Caldera Students, Families, and Guardians,

It has been a busy summer at Caldera High School. As the construction process comes to a close, our teams are coordinating deliveries and assembling furniture and equipment. Our front office team is currently on-site and working hard to welcome you to our new school.

As you drive, walk, or peddle past Caldera, you will notice that the construction fencing is down and that we have sports camps occurring in our stadium. During these first couple weeks of August, we will continue to move-in, and based on the final phase of construction, welcome students and our community to our new school.
