MANAGEMENT OF NUTRITION SERVICES

The district may provide nutrition services for students and staff. Nutrition services will comply with state and federal laws and regulations relating to such services.

The Director of Administration and Support Services, under the direction of the assistant superintendent, will be responsible for the management of the nutrition service program.

The superintendent will report to the Board, at least annually, on the condition of the nutrition service program and will make such other reports related to nutrition services as the Board requests.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools.
