Re: Notice of Intent to use a Permissive Cooperative Agreement (Intergovernmental Cooperative)

By: Multnomah County Contract

Contract #: DCA-PWA-12176-2020

Pursuant to ORS 279A.215(2)(b), Bend-La Pine Schools (BLPS) intends to enter into one or more price agreements, as a result of the ITB 87-2020 issued by Multnomah County, through an Invitation to Bid with Permissible language. BLPS intends to purchase equipment and service awarded in the contract #DCA-PWA-12176-2020 from the awarded supplier for Power Distribution System Services and Maintenance, including all HVAC equipment and supplies. The District anticipates the cumulative value of procurement(s) to be over \$2,000,000.00.

Suppliers that would otherwise be prospective bidders, if the procurement were competitively procured under ORS Chapter 279B, have an opportunity to comment of the intent to establish a price agreement through a permissive cooperative procurement. Such suppliers may submit written comments to BLPS attention Amy Coronado no later than July 15, 2020 (7 days from publishing) at amy.coronado@bend.k12.or.us Oregon local time 5pm.

Sincerely,

Amy Coronado
