

Indoor/Outdoor Full Contact Sports Opt-In Form

Updated 4/22/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer indoor/outdoor full contact sports for the 2020-21 school year in accordance with the Oregon Health Authority's Sector Guidance – Indoor Recreation and Indoor Fitness Establishments. Once final, post this form to your school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for indoor/outdoor contact sports can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming indoor/outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.
