All students are expected to complete .5 credit in PE 1 (usually during 9th grade). The request for PE credit for athletic participation is made in the student's senior year.

Process & Guidelines:

- PE credit may be earned for participation in OSAA sports as an alternative credit option as outlined in district policy, IKA-AR.

- Students may not apply for such credit until their senior year.

- The PE Credit Request form will not be provided if a student does not qualify for any reason listed in the guidelines.
- Qualifying seniors are responsible to have the form completed and presented to the principal for final approval in a timely manner (suggested by the end of the first semester or trimester).
- Such credit is available for participation in OSAA sports by the student in grades 10, 11, or 12 only.
- A maximum total of .5 credit may be earned for sports participation (2 sports seasons @ .25 credits each in either the same or different sports).
