

REVISED February 2017

2017 SCHOOL CALENDAR

The 2016-17 school calendar has been revised to reflect updated instructional days. This change allows students to make up for instructional time lost due to unforeseen closures, related to hazardous weather.

As a courtesy, we have included all major dates below giving you a quick "at a glance" view of the rest of the school year.

In an effort to balance student school days for the 2016-17 school year, and to ensure that our students have access to learning that they deserve, Bend-La Pine Schools is making the following changes to the remainder of the school year.

Thursday, April 13
