When: Monday, February 8th at 6:30 pm

Where: <https://bls.webex.com/meet/andria.lindsey>

There will be an overview of the IB Programme's philosophy and what is required to be an IB Diploma candidate. Following the presentation, there will be an exhibit showcasing current IB Diploma students' experiences. The IB Coordinator and IB students will be available to answer questions.

Planning on applying for an [Area Change Request \(ACR\)](#) in order to attend Bend High for the 21/22 school year?

Area change requests (ACRs) will be accepted beginning February 1st with a deadline of March 1st.

Important 2021/22 School Year Notice:

ALL incoming freshman will be required to complete a new ACR form if they want to attend a high school that is outside of their new home boundary. An ACR is required due to the multiple boundary changes created by the new high school and the desire to balance enrollment across high schools. All students will be pointed to their NEW HOME BOUNDARY SCHOOL for next year.

IMPORTANT: ACR FORMS MUST BE RECEIVED BY MARCH 1st - NO EXCEPTIONS

Please review the [Attendance Area & In-District Transfers](#) policy page and the [School Attendance Areas](#) page for more information, boundary maps, and the Attendance Area Change Request form.

Mark your Calendars:

Freshman Forecasting for the class of 2025, including all students with an approved ACR, will be completed during the week of March 15th – 19th. Check our website for updates and additional details.
