WORK FOR NUTRITION SERVICES WHILE YOUR KIDS ARE IN SCHOOL!

Working for Nutrition Services in the school cafeterias is an excellent part-time job for the person seeking some extra income while their kids are in school. While we do have some full-time positions, they do not come open often. Most of our positions are less than four hours per day. The majority of our employees start with us as a substitute and are later hired into a permanent position.

WHAT KIND OF WORK IS IT?

Preparing food, serving food to students and staff during meals, and cleaning up. You may also be trained on the computer program we use to track students' meal accounts. The work is fast-paced but extremely rewarding! Nutrition Services provides training opportunities in customer service safety and sanitation, and nutrition education through classes, workshops and conferences. Work shirts, aprons and serving visors are provided. No experience necessary. Paid training is provided. The current salary for Nutrition substitutes is \$13/hour and permanent part-time Nutrition servers start at a higher rate.

WHY WORK FOR NUTRITION SERVICES?

We are a team of motivated people who really enjoy working with kids! Work only the days your kids are in school -- no holidays or summers. Be part of the team working to achieve the goal of providing professional service and nutritious food to all our customers.

AVAILABILITY

We make every effort to have all menued items available each day. However, due to forecasting, cost controls, and efforts to control waste, some food items may run out by the time your child makes his/her selections. Should your child not find a desired item, he/she should ask the Nutrition Services staff for an alternate choice.

ONLINE MEAL PAYMENTS <https://blpay.bend.k12.or.us/>

 You will create an account in BLPay at the above internet address with your email address and a password of your choice, and will require your child(ren)'s student ID number, which is found on their report card or transcript. Your credit card information is not stored on our servers. There is a \$1.50 convenience fee per transaction under \$100.00. You may deposit money in more than one child's account in a single transaction and pay only one convenience fee. Online transactions are not immediately available but will be deposited in the student's account by 5:00 p.m. the next school day. Call if you have questions (541-355-1150).

 In an effort to reduce fat, all hot dogs and most "ham" products are made from turkey meat. Pork products are marked with a ✕.

SCHOOL MEAL ACCOUNT EMAIL NOTIFICATION

When you sign up with BLPay, you can receive an email notification whenever your child(ren)'s school meal account goes below the dollar amount you choose. You don't need to deposit money to use this feature. Click on the Edit Profile button after you set up your account and log in, then choose Yes or No for Low Balance Email (default is Yes) and set the Low Balance Amount (default is \$5.00). Click on the Update Profile button, then log out.

CHARGE POLICY

It is not our intent to allow charges. However, if a child has money in his/her meal account but it is insufficient for the day's meal, then a charge will be allowed and money will be expected the next day to cover the charge. No charging of ala carte items or second meals will be allowed. Communication regarding low balances and charges will be sent directly to the parent/guardian via email, US mail and/or by phone call as required by state legislation.

RETURNED CHECK POLICY

Bend-La Pine Schools uses Envision Payment Solutions as its check service provider. They process all checks returned for insufficient or uncollected funds. Your NSF (Non-Sufficient Funds) check may be presented electronically for collection. Additionally, they will debit a \$25 returned check fee from your account. Please do not repay returned checks to Nutrition Services.

 Instead, all payments will be handled by:
