1. **INTRODUCTION:** These instructions outline the offer submission procedures, evaluation of offers, and the award of a contract. The term “District” refers to the Bend-La Pine Schools. The term “Proposer” or “Bidder” refers to any entity submitting an offer in response to this solicitation. The term “Vendor” refers to any Proposer(s) or Bidder(s) awarded a contract.
2. **SOLICITATION REVIEW:** Proposers must carefully review this document and are responsible for knowing and understanding the terms and conditions included in or applicable to, this document. Unless defects, ambiguities, omissions or errors are brought to the District’s attention in advance of the date the proposal is due, protests or appeals based on such defects, ambiguities, omissions, or errors will not be favorably considered.
3. **CHANGE, CLARIFICATION, OR PROTEST:** Proposers may request changes or clarification to, or protest the contract terms and conditions and/or the specifications of the RFP. Due to the timing of the RFP, all changes or clarifications must be received by January 24, 2020. Such comments shall include:
 - A. A detailed statement of the legal and factual grounds for the change, clarification, or protest; and
 - B. A description of the resulting prejudice to the Proposer; and
 - C. A statement of the form of relief requested or any proposed changes to the contract terms and conditions or specifications.

All proposals are to remain valid for one hundred twenty (120) days from the due date. Any requests or protests must be emailed and clearly marked in the subject line to facilitate a timely response. The District shall not consider a Proposer’s request for change or protest after the RFP due date and time. The District shall provide notice to the applicable Proposer if it entirely rejects the request or protest. If the District agrees with the Proposer’s request or protest, in whole or in part, the District shall issue an addendum reflecting its determination.

4. **ADDENDA:** Changes or additions to RFP documents shall be accomplished by written addenda. Addenda shall be issued prior to the RFP due date to allow Proposers sufficient time to consider the changes or additions in preparing their offers. **The Proposer shall acknowledge receipt of all addenda by printing, signing and including with the proposal all addenda pertaining to this RFP issued on the District Contracting webpage.** At its discretion, the District may extend the RFP due date and time to allow Proposers time to analyze and adjust to any changes. The District shall notify Proposers of any such changes to the due date and time in the addenda. Proposers are responsible to make inquiry as to any addenda issued. <https://www.bend.k12.or.us/district/organization/contracting>

Any modification or withdrawal shall be made in writing, prepared on the Proposer’s letterhead, signed by an authorized representative of the Proposer, and shall state the action requested (e.g., the modified offer supersedes the prior offer; the submitted offer is withdrawn). Modifications or withdrawals must be submitted in an appropriately marked email to the appropriate, responsible person designated to receive offers.

6. **SUBMITTING PROPOSALS:** Proposers are solely responsible for delivering offers in the designated manner to the designated delivery point prior to the RFP due date and time. Proposers must submit one (1) original proposal electronically to amy.coronado@bend.k12.or.us.

Offers shall be held unopened and stored in a secure place until the RFP due date and time. The District shall not be responsible for the premature opening or failure to open an offer that is not properly addressed and/or identified. If offers are opened inadvertently or are opened prior to the RFP due date and time due to improper marking and identification by the Proposer, the opened offer will be resealed and stored.
 - B. Failure to submit proposals in the specified format shall be considered just cause for rejection of the proposal at the sole discretion of the District.
 - C. When the proposal due date and time has passed, the District will cause the proposals to be opened and recorded. The number of proposals received, the identity of Proposers, or the contents of a proposal will not be disclosed to the public until all proposals are evaluated and recommendation for award has been determined.
9. **LATE PROPOSALS:** Proposals received after the specified due date and time shall not be considered and shall be held unopened by the District until after the award of the contract. The District shall make no concessions regarding postal service or any other form of conveyance of the offer document even when timely delivery of the offer fails through no fault of the Proposer. The District reserves the right, at its discretion, to consider offers that have been delayed or mishandled by the District.
10. **OFFER ACCEPTANCE:**
- A. By signing and returning a Proposal, the Proposer acknowledges it has read and understands the terms and conditions contained in the RFP and Proposal Document and that it accepts and agrees to be bound by the terms and conditions of the RFP and Proposal Document.
 - B. A Proposer's offer shall be firm, irrevocable, valid and binding on the Proposer for not less than one hundred twenty (120) days from the Proposal due date and time unless otherwise specified. The District may request either orally or in writing that a Proposer extend the time for acceptance.

Such mistakes must be a matter of form, rather than substance, that is clearly evident regarding the offer or an insignificant mistake that can be waived or corrected promptly without prejudice to other Proposers or the District. Errors in judgment made in an offer by a Proposer shall not be waived.

All requests for clarification and responses shall be in writing. Except for requests and responses related to a clarification necessary to evaluate whether a proposal has met minimum requirements, all requests for clarification and responses shall be provided to each evaluation committee member.
15. **REFERENCES:** References are required as part of the response to this solicitation. Please refer to Section IV for required references to be provided with proposal submissions. Failure to provide references as specified shall be grounds for rejection of proposal. Investigation may include past performance of any Proposer with contractual obligations, its completion or delivery of a project on schedule, and its lawful payment of employees and workers.
16. **PUBLICITY:** News releases pertaining to this project will not be made without prior approval by, and in coordination with the Communications Director of the District.
17. **COLLUSION:** A Proposer submitting a Proposal hereby certifies that no officer, agent or employee of District has a pecuniary interest in this Proposal; that the Proposal is made in good faith without fraud, collusion or connection of any kind with any other Proposer and that the Proposer is competing solely in its own behalf without connection with, or obligation to, any undisclosed person or firm.

- 21. PROPOSER PREFERENCE:** In determining the lowest responsible Proposer, the District shall, for the purpose of awarding the contract, add a percent increase on the offer of a non-resident Proposer equal to the percent, if any, of the preference given to that Proposer in the state in which the Proposer resides. Each Proposer must identify whether the Proposer is a “Resident Bidder” as defined in ORS 279A.120(1).

22. EVALUATION AND AWARD:

A. Evaluation.

1. The District shall review offers to determine whether an offer is responsive and/or a Proposer is responsible. The District will award a contract only to a responsible Proposer with a responsive offer.
2. Responsible Proposers whose proposal the contracting agency determines in writing is the most advantageous to the contracting agency based on the evaluation process and evaluation factors described in the request for proposals, applicable preferences described in ORS 279A.120 and 279A.125 and, when applicable, the outcome of any negotiations authorized by the request for proposals.
3. Unless expressly authorized, Proposers shall not make their offer contingent upon the District's acceptance of any specifications of contract terms that conflict with or are in addition to those in this Proposal.
4. Per ORS 279B.060 (8) (a-h), (9):
 - (8) For purposes of evaluation, when provided for in the request for proposals, the contracting agency may employ methods of contractor selection that include, but are not limited to:
 - (a) An award or awards based solely on the ranking of proposals;
 - (b) Discussions leading to best and final offers, in which the contracting agency may not disclose private discussions leading to best and final offers;

 - (d) Serial negotiations, beginning with the highest ranked Proposer;
 - (e) Competitive simultaneous negotiations;
 - (f) Multiple-tiered competition designed to identify, at each level, a class of Proposers that fall within a competitive range or to otherwise eliminate from consideration a class of lower ranked Proposers;
 - (g) A multistep request for proposals requesting the submission of unpriced technical submittals, and then later issuing a request for proposals limited to the Proposers whose technical submittals the contracting agency had determined to be qualified under the criteria set forth in the initial request for proposals; or
 - (h) A combination of methods described in this subsection, as authorized or prescribed by rules adopted under ORS 279A.065.
 - (9) Revisions of proposals may be permitted after the submission of proposals and before award for the purpose of obtaining best offers or best and final offers.

B. Award.

1. The District shall award the contract to the responsible Proposer that submits the most responsive proposal, which meets and complies with all solicitation requirements as determined by the evaluation factors, provided that the proposal is reasonable and it is in the best interest of the District.
2. After the evaluation process is complete, the District shall provide written notice to all Proposers of the District's intent to award the Contract (Notice of Intent to Award – NIA). Public notice of award will be made by posting the NIA on the District's website. The District's award shall not be final until the latter of the following:
 - (a) Seven (7) days after the date of the NIA, unless otherwise provided; or

23. AGGRIEVED PROPOSERS: Any adversely affected Proposer may submit a written protest of the District's Notice of Intent to Award (NIA). Protest(s) must be received no later than 12:00 noon on the seventh (7th) calendar day after the NIA is published.

 - 1. Because their offer was non-responsive; or
 - 2. The District committed a substantial violation of a provision in the RFP document or of an applicable administrative rule and the protesting Proposer was unfairly evaluated and would have, but for such substantial violation, been the selected Proposer.
- B. The written protest must include the name of the person submitting the protest, the name of the Proposer represented by that person, the specific RFP including the solicitation number that is being appealed, and a detailed explanation of the reasons (facts of evidence) for the appeal in accordance with 23A above.
- C. The District shall not consider a protest that is submitted after the established time period.
- D. The aggrieved Proposer must serve all other Proposers with notice of its appeal to allow for rebuttal.
- E. Failure to give written notice of appeal to the District as provided herein constitutes a waiver by the aggrieved Proposer of any objections to the NIA.
- F. Disagreement with the proposal process is not justification for appeal.
- G. Protest Decision: Upon receipt of any appeal, the Chief Procurement Officer or designee shall review the protest and submit a written decision to the protester within fourteen (14) calendar days of the date of receipt of the protest. The affected Proposer must take further protest to the School Board. The aggrieved Proposer must notify the Chief Procurement Officer in writing before such action is taken.

24. PRICES:

- A. The Proposer shall provide a current rate sheet for services requested. Prices quoted for commodities or services must be in U.S. funds and must include applicable federal duty, brokerage fees, packaging, and transportation cost to the FOB point specified so that, upon transfer of title, the commodity can be utilized or the services can be provided without further cost.
- B. Prices quoted must be exclusive of federal, state, and local taxes. If the Proposer believes that certain taxes are payable by the District, the Proposer may list such taxes separately, directly below the unit prices for the affected item.

25. ACCEPTANCE PERIOD: All offers submitted shall remain in force for a period of one hundred twenty (120) days in order to provide time for evaluation of offers received and approval of proposed awards. The District shall request in writing any extension of this one hundred twenty (120) day acceptance period.

26. PROPOSAL PREPARATION COSTS: The District is not liable for any costs incurred by the Proposers in preparation of the Proposal.

27. CONTRACT FUNDING: Award in part or in whole is contingent upon available funding. In the event adequate funds are not appropriated and allocated by the District's Board of Directors, the District reserves the right to cancel fixed quantity, multi-year term or requirements contracts at no penalty.

- 4. PROJECT GOAL/SCOPE OF WORK:** The successful firm will provide Photography services to the District related to school pictures. The following are a list of specifications and requirements:
 - A. The awarded vendor will pay \$1.00 per picture package sold at each school, to be given to that school, by the Vendor as a fundraising program. This amount is to be included in the bid price.
 - B. Pictures must be taken of all students and staff whether or not they plan to purchase. Packets must be made available to staff members on the same basis as they are to students. Proposal shall include the ways in which packets can be ordered (on-site during picture day, on-line through secure ordering site, etc.).
 - C. Photographer(s) must supply all program literature going home to parents. This literature is to contain the guarantee that if the pictures are not satisfactory to the student/parent, that the student may have a retake or a refund. Provisions must be made for absentees and retakes at each building. Retakes for any reason, are to be free of charge. Parents must be able, at a subsequent date, to order additional pictures directly from the Vendor(s).
 - D. Vendor is responsible for staffing and providing all equipment for efficient and successful "picture days". Two cameras and two photographers are an ideal set up for most schools.
 - E. Elementary and secondary (middle and high school) student photographic picture packages offered to students shall be similar in content. Samples of take home literature and picture packages are to be included with your proposal submissions. Elementary and secondary additionally require the following:
 1. Elementary schools require a class composite picture for each classroom at each school site.
 2. Secondary students (middle and high schools) require student body identification cards for all students. ID cards must be distributed on site to all students during "picture day".

3. All sites require their own student body photographic directory ("Mug Book"), in which five (5) copies are to be distributed per site, (or as per each school needs).
4. All sites require a directory (CD or USB drive) sent over with all student and staff images in a 2x3 format. This also serves for all schools and senior yearbook purposes. (This contract will not specifically include an exclusive Senior Portrait arrangement).
- F. Vendor may contact Bend-La Pine School program directors and office managers to set up photography dates. Picture days typically start at the end of August and run through early October. Programs include Tamarack and Transition Co-op. When the annual schedule is set for both picture day and re-take day, Vendor shall email the schedule to Amy Coronado.
- G. Students are in no way obligated to purchase packages as part of this photography contract. While it is understood that the Vendor must make a reasonable profit from its contract, pressure must not be exerted on parents or students to encourage service beyond the requirements of the District's contract. All personally identifiable data acquired by the performance of the contract must be treated confidentially.
- H. All staff photographic images will serve as yearbook images. Vendor will take photographs of elementary and secondary level employees during "picture day" at their school.
- I. All staff images will be mailed (sent electronically or made available for download) to Bend-La Pine Schools' Human Resource Department at 520 NW Wall Street, Bend, Oregon, 97703.
- J. Vendor **may not** print or issue any Staff ID badges. The District has the rights to all photographs taken and provided by Vendor to use for newsletters or District printing.
- K. Vendor will provide schools, as needed, badge printers and cartridges for Student ID badges.
- L. Vendor is permitted to take photographs and offer products through the contract dates.
- M. Vendors shall not offer gifts, trips, or special favors or services of any nature to school personnel. Free photo packets may only be extended to personnel who render required assistance to the photography staff in the performance of their photographic contract.
- N. Any additional promotional offers or value-added benefits may be included in the proposal that would be a benefit to parents.
- O. Vendor will indemnify and hold harmless the District and its board members, administrators, teachers, employees and students harmless from and to defend it against, any and all claims arising from the purchase, installation, and/or use of the equipment, articles and/or materials which are the subject of this Contract.
- P. All Vendor staff coming onto District property must go through the District's volunteer background check process prior to arriving on site.
