### Instructions:

- Fill out the front page of this booklet completely, including the alternate choices. **Make sure your requested classes add up to exactly 7.5 credits and list at least four alternate courses!**
- Have your teachers fill out the "Teacher Recommendation" and "Teacher Initials" boxes on the front page.
- Sign the bottom of the front page.
- Have your parent or guardian sign the bottom of the front page.
- Use this booklet to choose your courses in StudentVUE.
- Return this booklet to the counseling office or bring it with you to forecasting during Freshman Foundations (March 4 – 6, 2020).

**If you do not complete these steps, you may not get the classes you want next year.**

## Four-Year Planning Worksheet

You may use this worksheet as a tool to map out your four-year program and plan your course selections for next year. Take the time to carefully consider your goals and the classes you would like to take: Once you have added your course selections to the front of this booklet and forecasted in StudentVUE, we will build your schedule to accommodate those requests where possible. You will be expected to take the classes you request.
