

Bend-La Pine Schools is committed to eliminating sexual harassment. Sexual harassment will not be tolerated in the district. All students, staff members and other persons are entitled to learn and work in an environment that is free of harassment. All staff members, students and third parties are subject to this policy. Any person may report sexual harassment.

Bend-La Pine Schools processes complaints or reports of sexual harassment under Oregon Revised Statute (ORS) 342.700 et. al. and federal Title IX laws found in Title 34 C.F.R. Part 106. Individual complaints may require both of these procedures, and may involve additional complaint procedures.

General Procedures

When information, a report or complaint regarding sexual harassment is received by the district, the district will review such information, report, or complaint to determine which law applies and will follow the appropriate procedures. When the alleged conduct could meet both of the definitions in ORS Chapter 342 and Title IX, both complaint procedures should be processed simultaneously (see GBN/JBA-AR(1): Sexual Harassment Complaint Procedure and GBN/JBA-AR(2): Federal Law (Title IX) Sexual Harassment Complaint Procedure). The district may also need to use other complaint procedures when the alleged conduct could meet the definitions for other complaint procedures¹.

Any staff member who becomes aware of behavior that may violate this policy shall immediately report to a district official. The district official (with coordination involving the reporting staff member when appropriate) will take any action necessary to ensure the:

1. Student is protected and to promote a nonhostile learning environment;
2. Staff member is protected and to promote a nonhostile work environment; or
3. Third party who is subjected to the behavior is protected and to promote a nonhostile environment.

This includes providing resources for support measures to the student, staff member or third party who was subjected to the behavior and taking any actions necessary to remove potential future impact on the student, staff member or third party, but are not retaliatory against the student, staff member or third party being harassed or the person who reported to the district official.

Any student or staff member who feels they are a victim of sexual harassment are encouraged to immediately report their concerns to district officials, this includes officials such as the principal, supervisor, superintendent or designee. Students may also report concerns to a teacher, counselor or school nurse, who will promptly notify the appropriate district official.

Investigation

The district official receiving the complaint shall conduct, or cause to have conducted by an appropriate impartial investigator, a prompt, thorough, and equitable investigation. An investigation is a detailed inquiry into the factual allegations of a report of harassment, based on interviews with the complainant, witnesses, and the person who is the subject of the report; and review of relevant documents and/or recordings. The district official receiving the complaint shall notify the person who initiated the complaint, and, if applicable, the student's parent/guardians, when the investigation has been initiated.

All reports and complaints about behavior that may violate this policy shall be investigated. Complaints shall be investigated in no more than 60 calendar days. If the complexity of the complaint necessitates a longer period of time for investigation, the investigator shall inform the complainant that more time is needed and give an estimate of time needed to fully investigate. The investigator shall provide the parties to the complaint with an update on the status of the investigation if one of the parties requests an update. District personnel shall cooperate with an investigation and respond truthfully, promptly, and fully. Failure to do so may result in disciplinary action, including but not limited to termination. Investigators must also protect any collective bargaining agreement rights of the respondent. If a respondent or the complainant is a student with a disability, the investigator must follow the procedural safeguards in the IDEA as well as the requirements of Section 504 of the Rehabilitation Act of 1973 when processing the complaint.

The investigator may also order reasonable temporary relief to protect the respective interests of the alleged victim and/or respondent prior to the time of any final decisions by the investigator. Temporary relief should be designed to prevent any continuing harassment, to correct the discriminatory effects of harassment, to promote a non-hostile work environment, and to prevent any person involved in the complaint from receiving inappropriate consequences related to the complaint prior to a final determination being made. This temporary relief shall be made on a case-by-case basis, will be based on available facts, and will not disproportionately impact the complainant. At the request of a party to the complaint, the investigator will also provide the party with information regarding local sources of counseling, advocacy and support.

The district may take, but is not limited to, the following procedures and remedial action to address and stop sexual harassment: discipline of staff and students engaging in sexual harassment; removal of third parties engaged in sexual harassment; additional supervision in activities; additional controls for district electronic systems; trainings and education for staff and students; and increased notifications regarding district procedures and resources.

2. Any terms or conditions of employment or of work or educational environment of a school or district staff member or other person initiating the complaint, reporting the behavior, or participating in the investigation.

FEDERAL DEFINITION & PROCEDURES

Federal Definition

Sexual harassment means conduct on the basis of sex that satisfies one or more of the following:

1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity⁴;
3. "Sexual assault": an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
4. "Dating violence": violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship;
5. "Domestic Violence": felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or
6. "Stalking": engaging in a course of conduct directed at a specific person that would cause a reasonable person fear for the person's own safety or the safety of others or suffer substantial emotional distress.

This definition only applies to sex discrimination occurring against a person who is a subject of this policy in the United States. A district's treatment of a complainant or a respondent in response to a formal complaint of sexual harassment may constitute discrimination on the basis of sex under Title IX.

Federal Procedures

The district will adopt and publish grievance procedures that provide for the prompt and equitable resolution of the student and employee complaints alleging any action that would be prohibited by this policy.

See GBN/JBA-AR(2): Federal Law (Title IX) Sexual Harassment Complaint Procedure.

Reporting

Any person may report sexual harassment. This report may be made in person, by mail, by telephone, or by electronic mail, or by

⁴ "Education program or activity" includes locations, events, or circumstances over which the recipient exercised substantial control over both the respondent and the context in which the sexual harassment occurs." (Title 34 C.F.R. § 106.44(a))

any other means that results in the Title IX Coordinator receiving the person's verbal or written report. The report can be made at any time.

The Title IX Coordinator will coordinate the district's efforts to comply with its responsibilities related to this policy. The district will display the contact information for the Title IX Coordinator on the district website and in other materials.

Response

The district will promptly respond to information, allegations or reports of sexual harassment when there is actual knowledge of such harassment, even if a formal complaint has not been filed.⁵ The district shall treat complainants and respondents equitably by providing supportive measures⁶ to the complainant and by following a grievance procedure⁷ prior to imposing any disciplinary sanctions or other actions that are not supportive measures against a respondent. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

The Title IX Coordinator must promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes, with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint. If after an individualized safety and risk analysis, it is determined that there is an immediate threat to the physical health or safety of any person, an emergency removal of the respondent can take place.⁸ The district must provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. A non-student employee may also be placed on non-disciplinary administrative leave pending the grievance process.

Notice

The district shall provide notice to all applicants for admission and employment, students, parents or legal guardians, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the following:

1. The name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator(s);
2. That the district does not discriminate on the basis of sex in the education program or activity that it operates, as required by Title IX. This includes admissions and employment; and
3. The grievance procedure and process, how to file a formal complaint of sex discrimination or sexual harassment, and how the district will respond.

Inquiries about the application to Title IX and its requirements may be referred to the Title IX Coordinator.

No Retaliation

Neither the district or any person may retaliate⁹ against an individual for reporting, testifying, providing evidence, being a complainant, otherwise participating or refusing to participate in any investigation or process in accordance with this procedure. The district must keep confidential the identity of parties and participating persons, except as disclosure is allowed under Family Educational Rights and Privacy Act (FERPA), as required by law, or to carry out the proceedings herein. Complaints of retaliation may be filed using these procedures.

⁵ (Title 34 C.F.R. §106.44(a)) Response cannot be deliberately indifferent. A recipient is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances.

⁶ (Title 34 C.F.R. § 106.44(a)) Supportive measures means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment.⁶ The district must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the recipient to provide supportive measures. (Title 34 C.F.R. § 99.30(a))

⁷ This grievance procedure must meet the requirements of Title 34 C.F.R. § 106.45 (included in accompanying administrative regulation, see GBN/JBA-AR(2) - Federal Law (Title IX) Sexual Harassment Complaint Procedure).

⁸ The district may still have obligations under Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 or the American with Disabilities Act (ADA). (Title 34 C.F.R. § 106.44(c))

⁹ Retaliation includes, but is not limited to, intimidation, threats, coercion, and discrimination.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding does not constitute retaliation.

Publication

This policy shall be made available to students, parents/guardians of students and staff members. This policy and contact information for the Title IX Coordinator shall be prominently published in the district facilities, district handbooks and on the district website. This policy shall also be made available at each school office and at the district office. The district shall post this policy on a sign in all grades 6 through 12 schools, on a sign that is at least 8.5 inches by 11 inches in size. A copy of the policy will be made available to any person upon request.
