

The Superintendent shall not fail to establish and maintain a visionary, secure, and equitable technology environment that promotes the best teaching and learning for students and working environment for employees consistent with the Board Ends and policies.

Accordingly, the Superintendent shall not fail to:

1. Provide equitable access to hardware and software technology, as well as connectivity to the greatest degree possible, throughout the district.
2. Establish and support adherence to common expectations for the use of technology by district staff and students, which promote responsibility and a safe, secure, and positive learning environment.
3. Ensure that technology resources of the district are coordinated and managed for long-term sustainability.
4. Protect the digital and information assets of the district, including intellectual property.
5. Protect student and staff data.
6. Ensure that technology implementation is research-based and applies developmentally appropriate best practices in K-12 education.
7. Ensure that hardware and software technology is regularly measured, evaluated, and modified as necessary to ensure continuing effectiveness.
