

Summit High School Supply List

We are excited for the new 2015-2016 school year to begin!
You are in for a great year and we stand ready
to guide you in your learning.

Here are a few things to add to your backpack for your success:

- A positive attitude; ready to tackle new challenges
- A plan to get involved (athletics, clubs, etc.)
- Pencils
- Black/blue pens
- Pink pearl eraser
- College ruled notebook paper
- Binder with section dividers
- Scientific calculator (with square root and the sin, cos, tan buttons, usually about \$10, TI-30 is one example)
- Highlighter
- Ruler with metric and US measurements

These are basic supplies that students will need for most classes.
Individual teachers may ask you to get additional, specific supplies for a certain class. We look forward to seeing you in September!

GO STORM!
