PARENTS/GUARDIANS:

I have read and agree to assist my child in understanding and abiding by the iPad Acceptable Use Agreement of the Bend-La Pine Schools. In order to continue providing your student with the most effective web-based tools and applications for learning, Bend - La Pine School District needs to abide by the *Children's Online Privacy Protection Act* (COPPA). Our district utilizes several computer software applications and web-based services, operated not by this school, but by third parties. These web-based services include Oregon K-12 Apps for Education and similar educational programs. In order for our students to use these programs and services, certain personally identifiable information, generally the student's name and email address, must be provided to the web site operator. Under this federal law, these web sites must provide parental notification, and obtain parental consent before collecting personal information from children under the age of 13. I understand that access to district technology equipment and its entire system of electronic communication is designed for educational purposes and I give permission for my child to use Oregon K-12 Apps for Education and to the operators of any additional online educational programs and services which our schools may add during the upcoming academic year. I also recognize some materials on the Internet may be controversial and objectionable and that, while every attempt will be made to block inappropriate sites, it is impossible for the Bend-La Pine School District to restrict access to all controversial and objectionable materials. I will not hold the Bend-La Pine Schools responsible for the accuracy or quality of any materials acquired or viewed on its system by my child. I understand that improper or inappropriate use of technology equipment and the district system by my child may result in revocation of his/her technology privileges and the imposition of school discipline and appropriate legal actions. I accept all financial and legal liabilities that may result from my child's use of the Bend-La Pine School District equipment and technology system. I release the Bend-La Pine School District, its officers, employees, agents, representatives, and all organizations and individuals related to the Bend-La Pine Schools' technology system from any and all liability or damages that may result from my child's use of the district's equipment and electronic communication system. I specifically agree to indemnify and hold the Bend-La Pine School District, its officers, employees, agents, and representatives harmless for any actions, claims, costs, damages, or losses, including, but not limited to, attorney's fees incurred by the Bend-La Pine School District relating to or arising out of my child's use of such equipment and system.
