

## High Desert Driver Education Proficiency Credit Notification Sheet

In cooperation with the Bend-LaPine School District and the High Desert Driver Education Program, students can receive (.5) elective credit for successfully completing all aspects of the HDDE Program. Students must submit a **COPY** of their state certified driver education card and an application for credit (see back page), to their counselor in order to be awarded the proficiency credit. It is the students responsibility to work with the counseling staff to add the class to the school transcript. If you have any questions, please contact the High Desert Driver Education Program (541-693-5699).
