

**MOUNTAIN VIEW HIGH SCHOOL**

# Fall School Supply List

We are excited for the new school year to begin! Our teachers and staff are prepared for a great year and stand ready to guide you in your learning.

Here are a few items to add to your backpack for this fall:

- Pencils, preferably mechanical
- Black/blue pens
- Pink pearl eraser
- College rule notebook paper
- Binder with section dividers
- Scientific calculator (with square root and the sin, cos, tan buttons, usually about \$10, TI-30 is one example)
- Highlighter(s)
- Ruler with metric and US measurements
- Day planner (as part of binder or separate)

Note that these are basic supplies that students will need for most classes. Individual teachers may ask you to get additional, specific supplies that will be needed for their class.

Remember that all students are issued an iPad to support their digital learning initiative. To assist families in the best protection of these iPads, the district is offering the insurance plan WITH a case for the low cost of \$30. Buy Insurance, Get a Case! It is that simple!

Please check the district website for more information on the iPad insurance program:
