### Schedule Change Process

Welcome Back Lava Bears, we are excited to have you join us for 2024-2025 school year. Counselors spent a lot of time, meeting with ALL students to create a schedule of classes that you are excited about. We worked hard to forecast and plan for this year's classes and programs. Student requests during forecasting determines the master school schedule for the 2024-2025 school year. Teachers were hired and textbooks were supplied based on the forecasting process. We take pride in our students' education and want to respect the teacher's time starting with content on the first day of school. With that being said, Bend High will continue our policy and **WILL NOT** be facilitating schedule changes outside of errors in level placement/data entry or to fill in an open period.

Students will have access to see their class schedule on StudentVue Friday August 30<sup>th</sup>. Schedule corrections will **ONLY BE MADE** to *identified level placement errors or conflict/placement corrections*. Beginning Wednesday September 4<sup>th</sup> students will have access to a QR code posted in front of the Counseling Office to have the correction made. The QR code will close on Friday September 6<sup>th</sup>. More detailed information about this process will be given to students closer to the start of the school year.

Class of 2025 Seniors, your counselor will be contacting you via **YOUR SCHOOL EMAIL** to schedule a one-on-one meeting. During this time, you will receive information on senior graduation requirements as well as a hard copy of your schedule. Counselors will review your schedule and transcript to ensure that you are on track to graduate. Changes to schedules may be made in order to ensure students are on track to graduate. We will also be finalizing your Senior Graduation Contracts, which is the final step needed for you to stay on track.

Administration and Counselors are here to support all students to be as successful as possible in high school and beyond. We look forward to seeing you soon.

## How does our schedule work?

Students have 7 classes but our school day only has 5 periods. How does that work? Simple! Each day is assigned a color and letter: **Blue (A)**, **Gold (B)** or **White (C)**.

On **Blue (A)** Days, students go to classes 1A, 2, 4, 5, and 7.

On **Gold (B)** days, students go to classes 1B, 3, 4, 6, and 7.

On **White (C)** days, students go to classes 1C, 2, 3, 5, and 6.

The Calendar to the left will give you an idea of how to keep track of days.

Students can use their iPads to access StudentVue or Canvas on a daily basis to see which classes they go to each day.
