Classes start June 22 and end on August 28

Courses are available online 24/7. Remote learning support is available by appointment or doing remote office hours from our summer learning team.

This program is for incoming 9-12th graders and 2020 seniors who did not finish in time to graduate in June.

Summer courses are fee based to cover costs of instruction, support and licensing.

MORE NOTES AND INFORMATION

- ✓ All students participating in the Bend-La Pine Online Summer Program must be registered with the Bend-La Pine School District.
- ✓ Online courses use the Fuel Education course management system. Students must have personal access to a modern computer with an internet connection in order to participate
- ✓ Tech support for home devices is not available, so moderate familiarity with online course access and personal computer skills are necessary.
- ✓ Courses that are not completed during the summer session can be resumed during the regular school year.
- ✓ Students will only be enrolled in one course at a time.
- ✓ All summer course information and correspondence will be sent to the student's Bend-La Pine Schools email account. Parents will receive weekly progress reports on Thursdays.
- ✓ In order to be successful in summer courses, students should be completing approximately 13% of their course each week of the summer session (if they start on June 22. The weekly percentage will increase for students who start classes after that date.) Students who have not completed at least 20% of their course by July 17th (or after 3 weeks) will be dropped from that course and unable to re-enroll until the regular school year. Fees will not be charged for dropped courses.
- ✓ Registration for online courses as part of the Bend-La Pine Summer Program will end on Friday, July 31st.
