November 27, 2019**

1. May a Proposer be allowed to submit a proposal for just one particular service? The service would be one component of the recruitment and selection process but not the entire process.

**The District is looking for proposals that meet the full requirements of the RFP. Proposers may offer services above and beyond the base services requested, however, those additional services will not be included in the scoring process. The District may or may not decide to additionally procure those services, if they were determined useful. The District is looking to award the contract to one provider.**
