BICYCLE USE

Students who live within a reasonable distance may ride bicycles to school. Bicycle riders are encouraged to observe safe and lawful practices. All bicycle riders under the age of 16 must comply with Oregon helmet laws. Bicycles must be parked in a designated area on school grounds and should be locked. The district assumes no responsibility or liability for loss or damage to bicycles.

SKATEBOARD/ROLLER BLADE/SCOOTER USE

Students who live within a reasonable distance may ride skateboards, roller blades and scooters to school provided they wear appropriate safety equipment, and providing the skateboards, roller blades and scooters are stored properly in a manner designated by the principal during the school day. The school district assumes no responsibility for loss or damage to skateboards, roller blades and scooters.

Due to the inherent dangers both to participant and non-participant, combined with the potential liability assumption, the use of skateboards/roller blades and scooters on district grounds is not allowed. Students will be informed they are not allowed to use their skateboards, roller blades and scooters at school.

STUDENT VEHICLE USE

In accordance with ORS 332.445, the Board authorizes administrators in secondary schools of this district to post and enforce rules for vehicles on district property or in close proximity to district property. All students who drive cars to school are subject to parking and driving rules developed by the principal.

The district shall require all students parking vehicles on district property on a regular basis to show evidence:

1. That the student driving the vehicle holds a valid driver's license;
2. That the vehicle is currently registered;

3. That the student driving is insured under a motor vehicle liability insurance policy or other satisfactory proof of compliance with the financial responsibility requirements of the state;

4. That the vehicle is in compliance with district rules by displaying the appropriate sticker, as applicable.

Parking privileges will be subject to the specific requirements of this policy and any other applicable policy and/or rules of the district.

The district will post appropriate parking signs.

NON-LICENSED MOTORIZED VEHICLES NOT ALLOWED

Non-licensed motorized vehicles, such as go-carts and motorized scooters are not permitted on school district property.
