

Carrie Douglass

Appointed in February 2017, and re-elected by voters in May 2017; Carrie Douglass brings a passion for education and the Bend community to the Bend-La Pine Schools Board of Directors.

Douglass was born and raised in Bend and is a proud graduate of the Bend-La Pine school system. Douglass' professional experiences include teaching, human resources, and school administration. In her current role as Managing Partner with Education Cities, her work is dedicated to helping low-income families access great schools in urban communities across the nation

Douglass is married and a mother of two young children. She and her husband strive to give back whenever possible and want to help provide a world class education not only for their children, but for all children in the district.

As a Board member, Douglass will strive to listen to the voices of parents, students and educators. She is passionate about closing the achievement gap, and innovating for the future and is excited to be a part of the planning committee for Bend-La Pine's new high school which is set to open in 2021.
