

Report on 2019-20 Division 22 Standards for Public Elementary Schools November, 2020

By November 1 of each year, school district superintendents are to provide a Division 22 Report to their local school board regarding the district's standing with respect to all Standards for Public Elementary and Secondary Schools as set forth in [Oregon Administrative Rules 581-022-2305](#). Following that report, districts will complete and submit to the Oregon Department of Education (ODE) the annual Elementary and Secondary Schools Assurance Form by November 15, 2020.

On April 16, 2020 the State Board of Education adopted a new administrative rule, [OAR 581-022-0103: State Standards for the 2019-20 School Year](#). This rule established a streamlined set of Division 22 standards in effect for the 2019-20 school year, in recognition of the challenges faced by districts to accommodate for the emergency shift to Distance Learning for All in response to the COVID-19 pandemic.
