Students can attend any Study Hall from the accompanying list. Once a student has entered the Study Hall, they must sign-in and remain there for the entirety of the period. General Study Halls are not subject-specific; this is a quiet space for independent study or final exam preparation.

All students are encouraged to attend study hall to prepare for their finals. Attendance to a Study Hall is not required, but students must report to their regularly assigned class periods, where roll will be taken.

For example, a student with a Period 1 final on Monday may decide to report to school by 10:25am.

All buses will run at their regular times. Wednesday will still be an early release at 2:15pm.

Feb 2 & 3 – NO SCHOOL, full teacher work days.
