Highlights of our High School Schedule

- Students have live WebEx meetings every day (Monday/Thursday morning, Tuesday/Friday afternoon); additional meeting times will be scheduled by teachers as needed. These are fixed schedule, live, teacher-directed and interaction focused sessions where students are “in class.”
- When students are not engaged in live learning, they will complete assignments and may be working on group projects, etc.
- Teachers will let students know if they need to attend a live session on Wednesday
- Teachers will have regular office hours before and/or after school
- Students will have required work in all courses daily
- Attendance will be taken based on virtual participation
- Grades and credit will be given
